Screening Information

- Screening and testing will be done for those who have the following symptoms:
Fever | Cough | Shortness of breath or difficulty breathing | Chills | Repeated shaking with chills
Muscle pain | Headache | Sore throat | Loss of taste and/or smell
Congestion or runny nose | Nausea or vomiting | Diarrhea
- If you have been exposed to (had contact with) large crowds, you can be tested. It is best to be tested 4 to 7 days after you have had contact with a large crowd.

Other Important Information

- Wait times may be long. Each site will let cars know when they are full and can no longer take patients. This may be before the 2:30 p.m. closing time due to large number of people already in line. To schedule an appointment for a test, please call 704-468-8888.
- No ID (identification) is needed for screening/testing.
- Atrium Health does not share anyone's immigration status. We do not report if a patient is undocumented.
- Atrium Health is not able to clear employees for "Return to Work" at these locations. If you are an employer looking for testing for your employees, please contact our return-to-work team at Covid19RTW@AtriumHealth.org.

*Visit [AtriumHealth.org/GetScreened](https://www.AtriumHealth.org/GetScreened) for future locations.

If the weather is bad due to heavy rain or thunderstorms, we will not be open.
