Covenant Dream Center

DAY PROGRAM

Operating in Albemarle and Matthews locations, the Dream Center is a day program for adults with special needs, designed to provide enriching activities, community outings, and a safe, supportive environment.

WHO IT'S FOR

- Adults with Intellectual and Developmental Disabilities (IDD).
- Individuals seeking a supportive environment with active engagement in the community.

HOW IT WORKS

1 Referral & Intake

Individuals are referred to The Dream Center through a care coordinator, parent or guardian, similar to our other services. The referral process ensures that we meet the specific needs of each person.

2 Individualized Program

After intake, a customized plan is created to address the individual's goals, strengths, and challenges. This plan is designed to support personal growth, community engagement, and skill development.

3 Community Integration & Activities

Participants enjoy a wide range of activities both on-site and in the community, including field trips, social events, and recreational opportunities. The Dream Center emphasizes social interaction and learning through experiences.

4 Ongoing Support & Monitoring

Our dedicated team provides continuous support, ensuring that the plan is adjusted and refined as necessary to meet the individual's evolving needs.

WHO QUALIFIES

Individuals with NC Innovations Waiver or 1915i/LTCS services, as managed through the care coordinator for referral and intake.
